

Veterinair Centrum Someren

Job opening:

Equine veterinarian with special interest in orthopedics/sport horse medicine

Veterinair Centrum Someren is a mixed private practice located in the south of the Netherlands. Our equine department provides state-of-the-art treatment and has access to advanced diagnostic tools: ultrasonography, digital radiology, endoscopy and standing MRI. We offer the entire field of equine orthopedics and surgery, as well as equine neonatology, internal medicine and reproduction, including embryo transfer en OPU/ICSI. We also serve as a referral clinic for the South of the Netherlands.

For our private practice we are looking for an experienced equine veterinarian to join our orthopedic and sports medicine team, as of August 1, 2023.

The successful candidate will join a team of 10 equine veterinarians, including two board certified surgeons (ECVS), 5 experienced equine practitioners and 3 hospital interns.

The ideal candidate has a special interest in lameness examination and medical imaging and must take an active role in the further development of our orthopedic and sports medicine (referral) practice. Participation in regular emergency shifts, including nights and weekends is expected (orthopedic, surgical and internal medicine cases). Knowledge of Dutch is considered a plus, fluent English is mandatory. The candidate needs to be eligible to practice in the Netherlands. Experience in equine orthopedics would be an asset, but we also encourage less experienced veterinarians with a special interest in equine orthopedics to apply.

We offer a fulltime position, initially for a period of 1 year with a possibility for prolongation if the position is filled to satisfaction of both parties. The salary will be based on experience and qualifications.

If you have any questions, and for applications please contact Jacquemine Keersmaekers (j.keersmaekers@vc-someren.nl). Applications should include a curriculum vitae, a letter of intent and contact information for at least one veterinarian who has agreed to serve as your reference.

Closing Date applications: This is an ongoing search until a suitable candidate has been identified.
